THE DIRECTORS MESSAGE

Grüße aus Mayo

Wir haben unsere Deutschabteilung im Jahr 2016 gegründet und sind innerhalb eines Jahres eine PASCH-Schule geworden. Nachdem wir im letzten Jahr gemeinsam den Europäischen Tag der Sprachen ausgerichtet haben, heißen wir Sie nun zum ersten unabhängigen Deutschfestival willkommen, das von uns ausgerichtet wird. Dieses Festival soll den Schülerinnen und Schülern aller Deutsch unterrichtenden Schulen.

sowohl eine Wettbewerbsplattform als auch eine Lernerfahrung bieten. Wir hoffen, dass Sie sich mit großem Eifer und Sportsgeist an diesem Wettbewerb beteiligen, um ihn zu einem erfolgreichen Ereignis zu machen.

Greetings from Mayo

We at Mayo College Ajmer started our German Language Department in 2016 and within a year we became a PASCH School. After our exciting experience of jointly hosting the European Day of Languages in 2020, we welcome you to the second annual German Festival hosted by us. This Festival aims to provide a competitive and fun platform, as well as a learning experience for the students of all German-teaching schools, present with us this year. With the high zeal and sincerity with which all students are expected to take part and will drive this event ahead for these 3 days, I'm sure this festival will be a memorable one.

HEAD OF DEPARTMENT'S MESSAGE

Sprachenlernen ist eine fortlaufende Aktivität. Abgesehen von den verschiedenen Lernstrategien, die wir in den Klassenzimmern anwenden, profitieren die Schüler auch vom Kontakt mit der Sprache außerhalb des Klassenzimmers. Die Deutschkenntnisse werden von den Schülern nicht nur durch das Auswendiglernen von Fakten und das Bestehen von Prüfungen erworben. Es geht darum, kritisches Denken zu entwickeln, Leidenschaften zu fördern und vielseitige Persönlichkeiten zu werden, die einen positiven Beitrag zur Gesellschaft leisten können.

DeutschUtsav@Mayo hilft ihnen, sich die Sprache zu eigen zu machen, da es ihnen die Möglichkeit gibt, ihren Horizont zu erweitern und ihre eigenen Stärken zu entdecken. Die Abteilung für deutsche Sprache begann ihre Reise in Mayo im Jahr 2016 mit nur 30 Schülern. Seitdem sind wir exponentiell gewachsen. Unsere letzte Aufführung wird zum Referenzpunkt für die nächste. Dieses Jahr organisiert unsere Abteilung die dritte Ausgabe von DeutschUtsav@Mayo. Wir geben unser Bestes und sind zuversichtlich, dass wir eine gute Show abliefern werden.

Language learning is an ongoing activity. Apart from the variety of learning strategies we use inside the classrooms, students benefit from exposure to the language outside their classroom, too. The German skills are acquired by the students by not just memorizing facts and passing exams. It's about developing critical thinking skills, nurturing passions, and becoming well-rounded individuals who can contribute positively to society. DeutschUtsav@Mayo helps them to embrace the language as it gives them an opportunity to expand their horizons and uncover their own strengths. German Language Department started its journey in Mayo in 2016 with only 30 students. Since then we have grown exponentially. Our last performance becomes our reference point for the next one. This year our department is organising the third edition of DeutschUtsav@Mayo. We are giving our best and are sanguine to put up a good show.

PASCH YOUTH CAMP

I realized that I wanted to pursue my higher education from Germany when I was given a scholarship to attend a language course there. This adventure was made possible by the support I got, which assisted with both my housing and living expenses as well as my tuition.

Germany, which is renowned for having a top-notch educational system, provides the perfect atmosphere for language learners. Beyond the academics, the fascinating past, varied culture, and breath taking scenery were major factors in my choice.

My language training was fully immersing from the beginning. The teachers were committed, knowledgeable, and enthusiastic about what they did. Classes were offered at several levels, from beginning to advanced, to accommodate students with different degrees of German language skill. The curriculum put an emphasis on actual conversational skills in addition to Germany and vocabulary.

The chance to use German in typical contexts was one of the course's pleasures.

Speaking with people, placing restaurant orders and using public transportation all helped me improve my language skills. Even though it was occasionally difficult, these situations forced me to step outside of my comfort zone and helped me become a better language learner.

In conclusion, the German language study I took has been a life-changing experience that I will always treasure. It has made it possible for me to develop lifetime relationships, learn a new language, and become fully immersed in another culture. Such opportunities are made available to students in large part by scholarships like the one I was awarded, and I am incredibly appreciative of the chance. This experience has expanded my horizons and improved my language skills, and I would advise others to look for similar opportunities to travel the world and develop personally.

In Berlin, wo die Mauer stand so hoch,
Ein Symbol der Teilung, ein bitterer Poch,
Die Stadt geteilt, das Herz in Schmerz,
Doch die Sehnsucht nach Freiheit in jedem Herz.

Die Menschen träumten von einem neuen Stern,
Ein Himmel ohne Mauer, ohne Grenz' und Stacheldraht,
Wo die Freiheit blühte, wie ein Morgenrot tat.
